UT RH Final - Communications Strategy May 31, 2016.docx  
BP Florida River Desk Statement - FINAL.DOCX

Hi Tim – For regional haze we usually have the communications strategy that begins with short desk statement. I've attached the one we had most recently for UT regional haze. In addition, Sara recently sent me one for a settlement agreement that looks a bit different but attaching that also for reference.

Let me know if you have questions.

Gail
